

Tsunami (Disaster that killed over 150,000 in South Asia)

(Tsunami pronounced tsoo-nah-mee) is a Japanese word with the English translation, "harbor wave." Represented by two characters, the top character, "tsu," means harbor, while the bottom character, "nami," means "wave."

The major countries affected by the Tsunami; Indonesia (majority believe in Islam) Sri-Lanka (Majority believe in Buddhism) Thailand (Majority believe in Buddhism) and India. (Majority believe in Hinduism)

- **What does the Bible say about calamities?**
- **Is it from Satan or from God?**
- **Was God surprised of the recent Tsunami?**
- **If God knew why he didn't stop the Tsunami?**
- **How can a loving God allow thousands to perish?**
- **What about innocent children who died in the disaster?**

Are you hungry and thirsty for spiritual food? We at *Agape Chapel Ministries* give *FREE* spiritual growth materials, including CD'S and Audio Tapes. Our service (ENGLISH) is held at Hope Korean Church at 19319 Carmenita Road, (just beyond South Street) Cerritos at 3.00 PM.
